## About Us

Founded in the year **1971**, **B D R Products (India) Private Limited** is counted amongst the leading **manufacturers** and **exporters** of a quality range of **Sewing Needle, Head Pin, Knitting Pin, Crochet Hook, Jyoti Elastic-Woven, Metro Safety Pin-Steel-Nickel, Stationary Products**, etc. We are offering our products under the registered trademarks like Jyoti ,Parker, Globe and Metro.

Our product line is well-acknowledged for its salient features such as top quality, single and double pointed tip and durability. Offered products are mainly used and demanded textile industry, garment industry and fashion houses. The futuristic vision and leadership of our mentor, **Mr. Niraj Jain** has helped us to achieve a respected position in the domain. Currently, we are delivering a range of more than 100 products across the world. Our dedicated team of professionals helps us in developing product with unmatched quality.

Our company has achieved **Business Excellence** Award from the prestigious **International Business Council** for our dedication towards the satisfaction of the customers and production of premium quality products. We are also providing customization facility to our clients for producing and packaging the orders effectively as per the demands of the buyers. Due to these reasons, we have earned a credible reputation in the national as well as in the international markets such as Middle East Countries, America and others.

## Our Quality

Quality is the crucial part of our organization and we put our best efforts to manufacture our range of **Knitting Pin, Jyoti Elastic-Woven, Sewing Needle, Crochet Hook, Head Pin**, etc. We have developed a modern quality controlling department where our experts examine every single item according to the original specification before the lacquering process. The management makes sure that the quality assurance policies are effectively implemented by our quality analysts. They take the responsibility to monitor our range at each stage of production.

## Awards & Achievements

By following ethical business practices, working on the feedback received from our customers as well as continuous improvement in the quality standards of our offerings, the organization has received Business Excellence Award from the respected International Business Council.
